What Our Franchisees Say

Maz (Single Unit Franchise Owner)

“I’ve been a member of Spartans Joo Chiat since 2017. I initially joined to get fit. Got really into it when I realized how technical boxing is and how much I was learning. I fell in love with it when I realised it was a place where I had made many friends. I was fortunate enough to have the opportunity to take on the Joo Chiat Franchise in 2021. ”

WK (Multi Site Franchise Owner)

“The team that run the gym are great fun to work with and you can sense their passion to make members feel welcome. I may be the owner, but first and foremost I’m proud to be a member of Spartans Boxing Club”

I like the Spartans' coaches here because they are very experienced & friendly. I definitely have improved a lot in terms of boxing skills and stamina since I came here!"
